Technical Information

Product Code B009

BIOCLEANSE
BACTERICIDAL HAND CLEANSER

BIOCLEANSE is mild but effective hand cleanser that contains a powerful biocide to help reduce the risk of cross infection.

BIOCLEANSE is designed for use in all areas where food and beverage products are prepared, processed, handled and stored. Ideal for kitchens, canteens, restaurants, food processing factories, abattoirs, bakeries, dairies, frozen food storage areas, shops and markets, etc. – in fact in all areas where hands need to be kept clean and free of harmful organisms.

MILD ON THE HANDS

EFFECTIVE BACTERICIDAL ACTION

LOW ODOUR AND NON TAINING

DIRECTIONS FOR USE

Apply BIOCLEANSE to wet hands. Rub all over the surface of the hands and work to a soft lather, paying particular attention to between the fingers and around the finger nails.

Rinse hands thoroughly with clean water, and use a hand dryer, paper hand towels or a clean linen towel to ensure the skin is completely dry. Avoid the use of dirty towels that may harbour bacteria and spread disease.
