Technical Information

Product Code E002

ECONOMY TFR 205

ECONOMY T.F.R. 205 is specially formulated for the removal of traffic film from vehicle bodies, and heavy grease from chassis and machinery. The product is also an effective hard surface cleaner for use in industry and food manufacturing areas.

ECONOMICAL IN USE

LABOUR SAVING

IDEAL FOR PAINT WORK AND CHASSIS

FAST ACTING

DIRECTIONS FOR USE

The area to be cleaned should be wetted prior to the product being used to prevent streaking.

After allowing time to penetrate, the product can be rinsed away leaving the surface free from grease and dirt.

Mix with equal parts water when using through hot water pressure washers and use as supplied when using through cold water machines.

Do not allow ECONOMY T.F.R. 205 to dry onto paintwork.

For washing down paintwork and other hard surfaces use with up to 40 parts water, depending upon the soil to be removed.
