Technical Information

Product Code F007

## **FLOOR SCRUBBER DRIER DETERGENT**

FLOOR SCRUBBER DRIER DETERGENT is a specially formulated non-foaming cleaner for use in floor scrubber drier machines. It is effective on most hard floor surfaces for light or heavy duty cleaning and degreasing.

**SUITABLE FOR ALL SCRUBBER DRIERS**

**EFFECTIVE ON MOST FLOOR SURFACES**

**FAST ACTING**

**ECONOMICAL IN USE**

### **DIRECTIONS FOR USE**

Use a 2 to 5% solution of FLOOR SCRUBBER DRIER DETERGENT in water in the machine detergent tank. For heavy duty degreasing this may be increased to up to 10%. Use the machine in accordance with the manufacturer's instructions and frequently empty the dirty water from the recovery tank.

Heavily contaminated floors may be pre-soaked with detergent to loosen the soiling before using the scrubber drier.
