Technical Information

Product Code S014

SURESOLV

SURESOLV is a refined, mild odour hydrocarbon solvent, which is effective for the cold cleaning and degreasing of a wide range of metal components, tools and engineering equipment. It is a suitable alternative for those applications where harmful solvents may not be used. Removes oils, grease, temporary rust preventatives, flux, hydraulic fluids etc.

LOW TOXICITY

FAST DRYING

MILD ODOUR

NEGLIGIBLE RESIDUAL DEPOSITS

DIRECTIONS FOR USE

Flammable solvent – take suitable fire precautions.

Apply by dipping, brushing, wiping or low pressure spray.

SOAK TANKS: For heavily contaminated parts, a two stage process will be most effective. Replace final rinse when contamination becomes unacceptable. DO NOT heat SURESOLV.

DEGREASING BY HAND: Use clean rags and replace frequently. Avoid prolonged contact with skin and ensure adequate ventilation. Dispose of used rags safely.
