Technical Information

Product Code S021

## **SUREGLOSS HIGH FOAM** TRAFFIC FILM REMOVER

SUREGLOSS is a non-caustic, high foam, traffic film remover, which effectively cleans paintwork and leaves a glossy wax like finish on the vehicle.

Specially developed for use in pressure washing equipment, rollover brush washers, forecourt jet washers etc. This non-caustic formulation is particularly safe on trim, and is less hazardous than caustic products.

### **FAST AND EFFECTIVE**

### **WAX LIKE WATER REPELLENT FINISH**

### **SAFER NON-CAUSTIC FORMULATION**

### **ECONOMICAL**

### **DIRECTIONS FOR USE**

Adjust the chemical injector to produce the desired amount of foam through the equipment. Wet surface of the vehicle and apply SUREGLOSS evenly over the surface, starting at the lower edge and working upwards. Do not allow the cleaning solution to dry on the surface.

For large areas, apply to one section at a time.

Pressure wash off with clean water to leave a clean, glossy, water-repelling surface.
